

1st November 2016

Dear Parent/Carer,

Year 7 French trip to the Opal Coast July 12th to 15th 2017

The half term holiday must have been appreciated by our Year 7 pupils who worked hard and managed a new environment, new teachers and new subjects. I am writing to let you know about the instalments you need to pay for the remaining sum of £250. I have left the first payment until well after Christmas and therefore the pattern will be:

- end of January £50
- end of February £50
- end of March, April and May £50 each month until it has all been paid in.

It will be all on Parent pay which you use for all monies paid into the school now.

Sometime next year I will be sending you more information and will also invite you to a meeting at school.

Please contact me if there is anything you wish to ask me.

Yours sincerely

Madame Tilson
