Dear parent/carer,

Edexcel have recently released combined revision guides and workbooks for the new GCSE History course. These contain the knowledge needed for the exam but also practice questions and guidance in answering them; these would be ideal combined with the student guides provided in class to help develop the exam skills needed. They are not intended to replace the guides we have issued in school but to support and develop the knowledge and skills needed and are optional to purchase.

If you would like further information on these guides or to order them individually please follow the link and click on combined revision guides and workbooks:

<http://www.pearsonschoolsandcolleges.co.uk/secondary/History/11-16/EdexcelGCSEHistory91/Buy/Buy.aspx>

The publisher are currently offering them at £5.89 per book but we are able to get these at a reduced price of £2.50 for each book. If you would like to order the four needed for the GCSE History course the **total price will be £10**. If you are entitled to Pupil Premium then we will provide these student guides free of charge. These books will be issued to students once they become available and are in stock.

If you would like to order a set of the combined revision guides and workbooks please log into your ParentPay account to confirm your purchase before the **20th October 2017**. I cannot guarantee that payments after this date will be eligible for the books at the reduced rate.

Please do not hesitate to contact me if you would like further information regarding these revision guides.

Best wishes,

L Sollars
