Year 10 Ludlow College Trip Monday 12th July

Dear Parent/Carers

This year your son/daughter would have been scheduled to have various careers related trips and visitors as well as work experience. Due to Covid many events went online, and others were unfortunately cancelled. With the further easing of restrictions, it has allowed the school to develop some experiences for our Yr10 students that they have missed out on. More events for the final week will be announced soon but one which I am delighted to confirm is a trip to Ludlow College on Monday 12th July.

Students have already chosen their subjects for a full day at the college. Students do not have to wear uniform and can wear their own clothes. A lunch will be provided. Dietary requirements have been noted on the subject choice form. There will be no charge for transport as Ludlow College and AimHigher West Midlands have agreed to fund the coaches for the day.

To comply with Ludlow College's rigorous Covid 19 compliance risk assessments, students will be required to wear masks in communal areas. Students will also be required to wear masks on transport to and from the college.

With the cancellation of Work Experience this short programme of experiences have been put in place for Year 10 Careers Education. This trip is compulsory. No lessons will be running on the day as the whole Year 10 cohort are going to the College.

Please complete the Ludlow College Trip Form. Link below:
