

Student Fest is an amazing opportunity to learn more about your transition to college/sixth form or university. We have a range of great top tips and advice to support you with a variety of topics, such as travel, student finance and wellbeing!

The programme launches on the **20th July** and will run throughout the summer holidays with different zones opening weekly so be sure to keep checking in to see what's new.

The festival takes place in the comfort of your own home!

How do I get involved?
