

1<sup>st</sup> May 2018

Dear parents/carers,

**RE: Year 10 Faith, Philosophy & Ethics at Church Stretton School**

I am writing to update you on the Faith, Philosophy & Ethics programme of study which Year 10 students have been participating in during this school year. So far this year we have run a series of trips and workshops for Year 10 which have included a trip to a Sikh Gurdwara and Jewish Synagogue, an afternoon talk with a survivor of the Holocaust and a workshop led by a representative of Amnesty International.

Our final event for the year will be a **Hinduism workshop which will take place on Thursday 24<sup>th</sup> May**. Students will be participating in an interactive workshop and there will be the opportunity for some students to dress up and some to have their faces painted. The face paint used will be Hobby Craft *SNAZAROO* face paint and hypoallergenic ink. If you do not wish for your child to have their face painted or if your child is allergic to face paint then please can you **contact the school** either in writing or via e-mail ([office@csschool.co.uk](mailto:office@csschool.co.uk)) to let us know before the workshop takes place on Thursday 24<sup>th</sup> May.

Can I please also take this opportunity to thank you for your support and to thank students for their participation in the Faith, Philosophy & Ethics programme of study which I hope has been an enriching experience for all.

Kind regards,

*A Colburn*

Mrs A Colburn  
Faith, Philosophy & Ethics co-ordinator  
Church Stretton School
