Dear parent/carer,

The GCP have released a complete revision guide for the new GCSE Geography course. This contains knowledge needed for the exam but also practice questions and guidance in answering them; this is optional to purchase, but would be ideal combined with the student's notes taken in class to help develop the exam skills needed.

If you would like further information on this guide or to order it individually please follow the link.

[https://www.cgpbooks.co.uk/School/books\\_gcse\\_geography.book\\_GAS41](https://www.cgpbooks.co.uk/School/books_gcse_geography.book_GAS41)

The publisher is offering the complete revision and practice book for £10.99 but we are able to get this at the reduced price of £5.50. If you are entitled to Pupil Premium then we will provide this student guide free of charge. The books will be issued to students once they become available.

If you would like to order a guide please log into your ParentPay account to confirm your purchase before the 13<sup>th</sup> December 2017. I cannot guarantee that payments after this date will be eligible for the books at the reduced rate.

Please do not hesitate to contact me if you would like further information regarding the revision guide.

Yours sincerely
