

Dear Parents & Carers,

As we reach the end of another week, our first thoughts go to year 11 pupils who commence their hall based final exams next week. Mr Bird, Assistant Headteacher met with the year 11 cohort today to give them some final information about the logistics of the exams and remind them that success is hugely influenced by the ongoing revision that pupils should be engaged with. Where pupils find that they are less confident about something, they have the benefit of still having access to their subject specialist teachers to support them in between exams. For a reminder about key dates across the exam series, please refer to the letter Mr Bird sent home which can also be found [here](#). Good luck to all of Year 11!

Many parents and carers will be familiar with the name of Wenlock Water. We are very fortunate that Mr Orme of Wenlock Water, who is also a parent, often helps us to ensure pupils have access to drinking water. Of course, 'Bob the bottle filler' has been with us now for some time and gets very little rest at break and lunch times, as pupils fill up their water bottles with chilled fresh water. Last week, Mr Orme supplied and fitted another drinks fountain in the quad area of school, adding a much improved second source of water for bottle filling and this has also had a great deal of use. Thank you, Mr Orme!

Finally, a reminder that next Wednesday 08th May will be a non-uniform 'Mufti day'. On this day, pupils can wear their own clothes with a theme of wearing something red/blue/purple as these are the colour schemes of the charities. Students are asked to bring a minimum donation of £1 which will be collected by their tutor. More details about the day and reason for fundraising can be found [here](#) from Mr Longhurst, Assistant Headteacher.

With best wishes for a lovely Bank Holiday weekend!
