

## C2.1: The Periodic Table

Lesson	Objectives Tracker Sheet	Date covered	I know this well	I need to do more work on this
1.1 Metals and non-metals	Explain how elements are classified as metals and non-metals			
	Use patterns to classify an element as a metal or non-metal			
1.2 Groups and periods	Use patterns to predict properties of elements			
	Compare patterns in properties in the groups and periods of the periodic table			
1.3 The elements of Group 1	Interpret data to describe patterns of the Group 1 elements			
	Use patterns to predict properties of Group 1 elements			
1.4 The elements of Group 7	Use patterns to predict properties of Group 7 elements			
	Describe displacement reactions			
1.5 The elements of Group 0	Describe the physical and chemical properties of the Group 0 elements			
	Use patterns to predict properties of Group 0 elements
