

Dear parents and carers,

Yesterday, we enjoyed a delicious Christmas lunch, with the Restaurant Staff catering for nearly every student (and staff!). Thank you, therefore, to Ms Jones, Restaurant manager and her team for coordinating such a mammoth task, which was performed smoothly and with utmost professionalism.

Next week is our penultimate week of the Autumn Term. On Friday, students and staff may participate in "Make the World Better in a Christmas Sweater" day to raise funds for Save the Children.

This will be followed in the final week of term by the Christmas Concert on Tuesday, 18th December, 18.00 – 19.00hrs. May I remind you, finally, that on the last day of term – Friday, 21st December, school will finish at 13.10hrs. Buses will leave at 13.20, therefore, please make arrangements for your child arriving home earlier than usual. There will be lessons as normal during the morning.

With best wishes for a good weekend

On Friday 14th December we are supporting "Make the World Better in a Christmas Sweater" day to raise funds for Save the Children.

We would like students to substitute their school jumper with a Christmas sweater. For this privilege we would like a minimum donation of £1. All proceeds raised will go to Save the Children.

Students who do not wear a Christmas jumper should remain in their normal school uniform and do not have to contribute the £1.

Craft Fayre success

The P.T.A would like to thank everyone who contributed to the success of the Craft Fayre held in November. They would particularly like to thank all the students who gave up their valuable free time to contribute to the smooth running of the event, especially Rhianna and Thomas. The Fayre raised a fantastic £2894.22 for P.T.A funds.

UPDATE

- Year 9 report writing is in progress and parents will be notified as soon as they are available.
- Markbooks for Year 11 will be switched off in Go4Schools during December whilst we enter results of mock examinations and update forecast grades. Students will have a practice results session after Christmas and we don't want to spoil this by revealing grades in advance. Timetable and homework information will still be available. Visibility of Markbooks will be restored in January.
