Dear parents and carers,

Fortunately the forecast of snow did not hinder our week and we now look forward to some more pleasant weather!

Alongside the 'usual' timetabled lessons, events in school have been numerous, with so many that it is not possible to adequately pay tribute to the hard work of colleagues. In ensuring students have a breadth of opportunities, some events include Year 7 Humanities trip to Ludlow, Year 10 Geography Fieldwork in Birmingham, Year 11 Hereford Sixth Form College interviews and Ludlow College interviews. In addition, we have welcomed external visits from the Army, guest speakers in PSHE to talk about career opportunities and today, motivational speakers working with Year 9 students. Phew!

As we approach the final week of term, we look forward to the opportunity to recharge batteries and enjoy some time with friends and family during the Easter break. For Year 11, revision for examinations will, of course, be occupying a proportion of this break. It is important that students are preparing for their examinations, however, it is equally important that they are making time for non-school activities to keep a healthy balance.

Finally, thank you to parents and carers for the many words of support and congratulations following our recent Ofsted Inspection, which graded the school as Good overall and Good in all areas. We appreciate the time taken in doing so and it means a great deal to us.

Have a good weekend

Mr. J. Parr

Yr 11 Exam Information

Dear parents/carers of Year 11

As we approach exam season, please note that pupils who would like to bring a drink into the exam hall must only bring only plain water in a clear (see through) bottle to comply with examination regulations. Unfortunately, we will not be able to supply students with water, so please ensure your child/ren are aware of the above note. A reminder also that students must bring a **black** pen for examinations and provide their own calculators, rulers, compasses, protractors, pencils etc if they need them in any particular exam.

What does the P.T.A do?

The main function of the P.T.A is to raise funds that the school can use to enhance our children's education. The P.T.A currently funds the lease of the school minibus which in the last year has taken our children to experience a wide variety of different educational visits including apprenticeship workshops, Bushcraft, Preseli, Sixth Form and Higher education colleges, theatre, music, physics and sporting events and has also been used on the sponsored walk and D of E expeditions.

As you can see, whatever your child is involved in at school, the chances are at some time they will benefit from access to the minibus and so we would be grateful if you would consider giving up just a small amount of your time to help the P.T.A.

The Mynd Drover Challenge Walk takes place on 22nd June and is one of two main P.T.A fundraising events. Help will be needed on the afternoon of 21st June and throughout the day on 22nd. Jobs are not difficult and even if you can only spare an hour it will help. Please contact csschoolpta@gmail.com to pledge your support, thank you.

Church Stretton School Presents

Chaos by Laura Lomas as part of the NT Connections
Festival 2019.

**TICKETS AVAILABLE FROM CHURCH
STRETTON SCHOOL RECEPTION – £5**

Chaos, is a symphony of dislocated and interconnected scenes. A series of characters search for meaning in a complicated and unstable world. Bouncing through physics, the cosmos, love and violence, they find order in the disorder of each other.

The play presents a series of events that occurs within the lives of a group of young people that initially seem disconnected in an exploration of how young people are able to make sense and order of what can seem a chaotic world. It explores many key themes that are prevalent to young people at the moment.

National Theatre Connections is one of the UK's largest celebrations of youth theatre. Plays are commissioned for and about young people, from some of the best contemporary playwrights, and performed by schools and youth theatres all over the UK and Ireland. Young people have the opportunity to get involved in all aspects of creating and staging the play both on and offstage, from set design to costume, lighting and stage management.

After the performance at the school it will transfer to Aberystwyth Arts Centre on Saturday May 4th where it will be performed alongside other theatre companies plays as part of a regional celebration.

Public Transport Consultation

AE

Dear Sir or Madam

Reduction of Local Bus Service Subsidies - Financial Year 2019\20

Shropshire Council has today (Monday 25 March 2019) launched a six-week consultation into proposed reductions to its public transport budget, which would see a reduction in the number and frequency of bus services subsidised by the Council.

The Council's financial strategy for 2019/20 includes a budget reduction of £405,000 in public transport and £50,000 for Shrewsbury Park & Ride. To achieve these reductions a number of initiatives will have to be implemented and this consultation asks for views about these proposed changes.

The details of these proposals are provided below;

Public Transport - Those services financially supported by the Council.

To help identify the £405k budget reduction we requested that all our bus operators providing Local Bus Services on behalf of the Council, provide details of the level of service that they could provide on each of these services with a reduction in funding.

In the majority of cases this will represent a reduced timetable on each of the services the Council supports, details of how this will impact individual services is shown in the table at the bottom of this letter.

Shrewsbury Park & Ride

To achieve the budget reduction of £50k set out in the Council's 2019/20 financial strategy, we are proposing to undertake the following;

To remove the concessionary fare discount that allows passengers on presentation of their concessionary card to travel for a 50% discount, this discount is currently provided at the Council's discretion.

To increase the return fare for the service from its current level of £1.60 to £2.00.

To remove the Group ticket from Park & Ride which allows for up to 5 passengers to travel for the price of £2.50.

The consultation runs from 25 March to 6 May 2019 and can be found at www.shropshire.gov.uk

[Any](mailto:passtrans@shropshire.gov.uk) responses to this consultation should be emailed to passtrans@shropshire.gov.uk or in writing to:
