Autumn 2016

Welcome to Church Stretton School. We hope that you will find this handbook interesting and informative it has been written to help you and your child get a better understanding of how the school works, our expectations and how we achieve success.

We have kept this prospectus relatively brief as all parents who choose the school have access to the website. This outlines in detail our priorities and procedures.

For us, success is based upon our care for pupils as individuals. We are a relatively small school and it matters to us very much that every child is a "known" child able to maximise their potential. It is important to us that pupils are happy, motivated and confident. There is a real commitment to quality lessons and a strong sense of community. Everyone at Stretton is encouraged to do their best and pursue excellence. This is reflected not only in the examination results which are excellent but also in the sporting, cultural and recreational life of the school.

Moving to secondary school is a big step and we aim to work closely with parents and primary schools to make the transition as smooth as possible.

Good links already exist with local primary schools you may be aware of our Technology Workshops but throughout Year 6 we spend a lot of time visiting primary schools informing pupils of what they can expect on transfer. We believe this helps them make a flying start in September. We offer a Summer School and an ice-breaker residential to Year 7 in the first week of term. Feedback suggests this is very popular and really helps the pupils to settle in.

Feedback from our current Year 7's suggests they appreciate the care that is taken to get this process right and already some four weeks into the term they feel they "belong".

If after reading this prospectus and visiting us on our Open Evening or Morning you have any queries about any aspect of the school please do not hesitate to contact us. Better still, book an appointment to visit the school during a working day, (the best way to judge a school!) We would be delighted to show you around.

CHAIR of GOVERNORS

The Governors would like to thank you for your interest in the school. We value highly the commitment of every member of the school community; it is essential to our continued success. The friendly, welcoming and supportive atmosphere, often remarked upon by visitors and inspectors, is a reflection on all who work in the school to make it outstandingly successful.

We are proud of the achievements of our pupils. They regularly achieve standards well above the national average across both Key Stages. The Governors would especially like to congratulate Year 11 on their success at GCSE.

We continue to believe it is important to set very challenging targets for the school and for individuals. These targets are based on a detailed analysis of our pupils' prior performance and national trends.

You may be aware that since November 2014 the school has been a sponsoring academy working closely with Stokesay Primary School in Craven Arms. This means that, both ourselves and Stokesay are part of the South Shropshire Academies Trust. We believe this venture will be mutually beneficial for both schools and will lead to even better opportunities for all our pupils.

As ever the Governors wish to thank the many parents, local businesses and members of the community who continue to support the school and all its activities in so many ways. Especially, we would like to highlight the Parents and Teachers Association for its tireless fundraising and work on behalf of the school. We really appreciate their time, effort and dedication. Thank you.

With all best wishes,

Trudie Baker

Chair of Governors

CONTACT

We are a secondary school academy. We have 567 pupils on roll; our current admissions limit is 124 in Year 7.

CONTACTING US:

Address: Church Stretton School
Shrewsbury Road
Church Stretton
Shropshire SY6 6EX

Telephone: Church Stretton (01694) 722209
Fax: (01694) 722417
Email: office@csschool.co.uk
Website: www.churchstretton.shropshire.sch.uk

Office times: 8.30 am - 4.30 pm

The school office can also provide copies of school policies and other documentation (including our policies on sex education, religious education, National Curriculum literature and Ofsted reports). Please visit our website for full information: www.churchstretton.shropshire.sch.uk

If you require information about, or copies of, Local Authority policies, please contact:

Shropshire Council
Children & Young People's Services
Shirehall
Abbey Foregate
Shrewsbury, SY2 6ND

Parents are always welcome to come and see the school at work. Please contact the school office for an appointment. The Senior Leadership Team, House Achievement Co-ordinators and Heads of Department are always ready to meet parents to discuss any concerns or queries. The Principal encourages parents to visit the school during the working day. Please contact Chris Floyd (Principal's PA) for an appointment.

ADMISSIONS

Shropshire County Council produce a booklet “Parents’ Guide to Education in Shropshire” each year with up to date information about schools and a full explanation of the admissions process. The booklet can be accessed on the Shropshire website. Parents/Carers who may wish to speak directly to an Admissions Advisor may also contact them through the Admissions Team.

We are always pleased to show prospective parents and pupils around the school, to see the school in action.

The contact address is: Admissions Team, Children & Young People’s Services, Shirehall, Abbey Foregate, Shrewsbury, SY2 6ND. Tel: 01743 254459
Or email: school-admissions@shropshire.gov.uk
Website: www.shropshire.gov.uk

Catchment areas for schools can be viewed on Shropmap which can be found on the above website address.

Parents/Carers of Year 6 children and resident in Shropshire will be required in the autumn term prior to the school year of transfer to complete a Shropshire application form on which 3 preferences can be stated. The forms and booklets will be given to Year 6 pupils schools in early September or applications can be made online through the Shropshire website. Where there are more applications than there are places available, allocations will be made in accordance with the oversubscription criteria. Full details of these criteria are given on the website. In general terms, they are based upon the following (in order):

- Looked After Children (that is, children in public care)
- Residence in catchment area
- Sibling connection
- Attendance at a primary school within the catchment area
- Proximity of home address to school

Children who have an Education, Health & Care Plan, which names this school as the appropriate school to meet those needs, will be offered a place.

Most secondary schools work closely with their local primary schools and often invite pupils to attend for various activities. Such visits have nothing to do with the admissions process and do not in any way give any guarantee of a place at the school. Shropshire does not operate a system of feeder schools, as the home address of your child is the arbiter of being offered a place. That home address will be checked against data sources to ensure potential applicants are not, for example, using other relatives’

addresses, work or office addresses to achieve a higher priority under the published criteria.

Where applications are not successful, parents/carers may wish to put their names on a waiting list or appeal against the decision. The Admissions Team will be able to advise on these matters. Members of the school staff and Governors are legally **not** allowed to write a letter of support for appellants so please do not ask them to do so. Nor is the school allowed to give any guarantee that a place will be offered at the school.

Mid-Term or In-Year Admissions

Where families move house at other times of the year after the start of Year 7, please contact the Principal in the first instance in order to make an appointment to visit the school. You will be given an indication of whether there are places available in the relevant year group.

MISSION STATEMENT

‘Achievement for All’

We aim to help our pupils to:-

- enjoy learning and come to see education as a lifelong process;
- develop attitudes, understanding and skills necessary to become a fully participating member of a democratic community;
- develop lively, flexible and enquiring minds to:
 - find, evaluate and use information
 - question and debate rationally
 - apply understanding and skills in order to address issues, solve problems and carry out practical tasks
 - make the appropriate use of technology;
- develop their interests and abilities and manage all their time constructively and enjoyably;
- develop personal values and appreciate the qualities and abilities of other people and their way of life;
- understand the world in which they live and the inter-dependence of individuals, groups and nations;
- develop appreciation and concern for the needs of others and the environment;
- develop attitudes, understanding and skills necessary to exercise independence and initiative;
- develop a positive self-image;
- develop their potential to the full.

BEHAVIOUR PLAN

RULES in this classroom

BE ON TIME

FOLLOW INSTRUCTIONS **straight away**

RESPECT EVERYONE **including yourself**

DO NOT EAT, DRINK OR CHEW (**water is allowed**)

SWEARING IS NOT ACCEPTABLE

MOBILE DEVICES **must be switched off and stored**

REWARDS

SPOKEN PRAISE **and written comments**

CONTACT HOME **phone calls & postcards**

HOUSE POINTS **on the rewards route**

PRINCIPAL'S AFTERNOON TEA **nominations**

CONSEQUENCES if you choose not to follow the rules

1. WARNING

2. MOVE WITHIN CLASS

3. TEMPORARY REMOVAL FROM CLASSROOM **for up to 3 minutes**

4. HEAD OF DEPARTMENT SUPERVISION **detention & parent/carers informed**

Severe misbehaviour will result in: ISOLATION / EXCLUSION & THE INVOLVEMENT OF HoD, HAC, SENIOR STAFF & PARENT/CARERS

Severe misbehaviour includes: ABUSE, STEALING, FIGHTING, DAMAGE TO PROPERTY, BREAKING THE LAW, SMOKING.

THE PUPIL IN SCHOOL

On entry all of our pupils are placed into a mixed vertical age tutor group and assigned to a tutor. Tutor groups are organised in a house basis. We believe that membership of these groups helps pupils to settle in and gives them a sense of security and belonging. We take careful note of information from Primary Schools when assigning pupils to tutor groups.

The tutor is the first point of contact for all routine matters regarding pupils. They meet their group every day and monitor welfare as well as academic progress.

We value the views of all our pupils. Every tutor group sends representatives to **The House Council**. This group meets regularly to discuss issues raised by pupils and to inform the Senior Leadership Team of pupil opinions and suggestions. The Council also has a fundraising role and actively supports several charities.

We all work together to make our school happy, productive, secure, caring and orderly. This creates an atmosphere in which all of us, pupils, teachers and others can achieve our potential.

The rules which guide us are based on our **Behaviour Plan**. This is based on common sense and mutual respect. We expect all pupils to adhere to it. If a pupil allows their standard of behaviour or work to slip, we work to help them to get back on track. Discipline here is aimed to be constructive as well as corrective. We all make mistakes; it is part of growing up. What is important is that we learn from them.

We greatly value the support of parents and carers in helping us to create a positive approach to learning amongst all our pupils. We believe in establishing a culture in which pupils are proud to celebrate their successes and those of others. All parents will receive a copy of our **Home-School Agreement**.

We have a range of sanctions including lunchtime and after school detentions. Parents will always be informed, at least a day in advance, of detention after school. We ask parents to accept responsibility for safe transport home in such cases.

We have active policies on **Anti-Bullying** and **Anti-Racism**. We aim to address issues in a sensible and sympathetic way. We recognise that both bully and victim need help and support. **All incidents** are investigated and recorded in the Bullying Register. Copies of the Policies are available on the school website. Incidents of racist behaviour or racial bullying are recorded in a separate register. Parents are always informed. Both bullying and racism are addressed formally through the PSHE programme of study.

Over the years we have developed our curriculum to reflect the changing world we live in and our PSHE programmed now includes work on British values and reflects the Government "Prevent" strategy in addressing the threat of radicalisation.

THE CURRICULUM

Church Stretton School works hard to provide pupils with the best life chances possible. We take pride of course in the high levels of achievement and excellent examination results but also fully appreciate the importance of enrichment through experiences not confined to the taught academic lessons. We actively seek and promote opportunities for pupils to participate in events which provide that 'something else' to the school experience. We believe that this is what makes Church Stretton School special.

Our curriculum provides a broad and balanced diet throughout both Key Stage 3 & 4.

THE TIMETABLED CURRICULUM (2016 - 2017)

Key Stage 3

All pupils study the following:

English; Mathematics; Science; French; Art; Music; Drama;	Geography;* History;* Religious Education;* Technology (food, textiles, graphic control and construction technologies);	Computing PSHE (Personal, Social and Health Education including Careers) ; Physical Education;
---	--	--

*In Year 7 the Humanities subjects are taught as a single combined course known as Thinking Through Humanities.

Key Stage 4

All pupils study the following as 'Core' subjects:

Mathematics; English; English Literature;	Science; Additional Science;	PE; PSHE;
---	---------------------------------	--------------

In addition pupils choose a 'Pathway' of five additional subjects to study from the following:

History; Geography; Religious Studies; French; German; Spanish; Triple Science;	Drama; Art; Music; Design Technology; Computing; PE; Btec Construction;
---	---

Please note: timetable restrictions may mean that not all combinations are possible.

Religious Education and Collective Worship

Pupils also participate in a programme of Religious Education sessions at specified points during the time allocated to PSHE lessons in Year 10 and 11. The compulsory Religious Education requirement (as set out by Government), allows year groups to explore issues and themes such as the environment, marriage, spirituality, prejudice.

Parents have the right to withdraw their children from RE or acts of worship. If you wish to know more about this or wish to withdraw your child, please contact us at the school.

Groupings

In Key Stage 3 pupils are placed in broad 'half year' bands, sets or mixed ability classes.

In Year 7, pupils are placed in 'half year' bands for Mathematics, English, Science, Modern Foreign Languages, PE and Design Technology. These subjects have the freedom to set within the half year band following internal assessments. Remaining subjects of PSHE, Thinking through Humanities, Computing, Art, Music and Drama have mixed ability classes in year 7.

In Year 8, pupils are placed in 'half year' bands for Modern Foreign Languages, English, Maths, PE and Design Technology. These subjects have the freedom to set within the half year band following internal assessments. Science groups pupils into sets. Remaining subjects of PSHE, Geography, History, Religious Education, ICT, Art, Music and Drama have mixed ability classes in year 8.

In Year 9, pupils are placed in 'half year' bands for Modern Foreign Languages, PE and Design Technology. These subjects have the freedom to set within the half year band following internal assessments. English, Mathematics and Science have the option to group pupils into sets. Remaining subjects of PSHE, Geography, History, Religious Education, ICT, Art, Music and Drama have mixed ability classes in year 9.

Relationships and Sex Education

Pupils gain awareness through PSHE lessons as part of the whole curriculum including aspects of reproduction, friendships, relationships, responsibilities, growing up, parenthood and family life. Our policy outlines our approach and materials; copies are available on request from the school.

Parents have the right to withdraw their children from aspects of sex and relationships education. If you wish to explore this please do not hesitate to contact the House Achievement Co-ordinator for your child.

LEARNING SUPPORT

Church Stretton School welcomes children of all abilities. We support those in our care and we take pride in the achievements of each one of our pupils.

Our teachers are committed to getting the most from every one of the pupils in their care and share a responsibility for their progress and attainment.

We value our pupils with Special Educational Needs and Disabilities (SEND) and aim to ensure that they are fully integrated into the academic and social life of the school.

We endeavour to see that they maximise their potential and experience and contribute to all aspects of school life, whilst having fun and being challenged.

SEND describes a wide range of ability and therefore requires a wide range of support. There are pupils whose needs are short term, for whom intervention strategies may be put in place until they catch up and support is no longer needed. There are also pupils whose needs are long term, who may have an Education, Health & Care Plan and require individual support throughout their education. Of course there are many points in between.

Provision includes: in class support: individual and small group withdrawal classes; social skills classes: mentoring; supervision and support during lunch and break times and support with behaviour and emotional difficulties. The Learning Support Department has excellent partnerships with outside agencies including health professionals, Education Psychology Service and Woodlands and Severndale Outreach services.

We use a wide range of strategies to identify pupils who are experiencing difficulties including records from Key Stage 2, reading and spelling tests, reports from outside agencies, Education, Health & Care Plans, information from parents and concerns from teachers.

The Learning Support Department comprises of a SENCO, three Higher Level Teaching Assistants and eleven Teaching Assistants.

We work closely with parents, carers and outside agencies. The SEND Policy and Access Plan is reviewed annually through the School's Review and Evaluation processes. SEND is a statutory item at the Governing Body meetings. The school's offer for SEND is available on the school website.

INFORMATION, ADVICE AND GUIDANCE

Church Stretton School is committed to providing a high quality, planned programme of careers education and information, advice and guidance (CEIAG) for all pupils in Years 7-11.

Objectives

The careers programme is designed to meet the needs of pupils at Church Stretton School, it is differentiated and personalised to ensure progression through activities that are appropriate to pupils' stages of career learning, planning and development. Pupils are entitled to CEIAG which meets professional standards of practice and which is person-centred, impartial and confidential. It will be integrated into pupils' experience of the whole curriculum and is based on a partnership with pupils and their parents /carers. The programme will raise aspirations, challenge stereotyping and promote equality and diversity.

Work Experience

All pupils complete a one week placement during the Summer term in year 10. We place a great emphasis on pupils organising their own placements and the process is introduced at the end of year 9. We ensure all employers are suitable and that appropriate Health and Safety checks are in place.

The Wider School Community

PARENTS AND TEACHERS ASSOCIATION

We have a loyal and hardworking band of committed parents who work unstintingly to support the school. The association exists to advance the educational aims of the school and hopes to provide facilities and equipment not normally covered by, or available from, the Local Authority. All staff and parents are automatically members of the PTA!

Please try to support them actively. An Annual General Meeting is held in the Spring term and your attendance is invited. Many parents have talents which could be very valuable to the school. If there is any way that you feel you could help us, please get in touch!

USE OF THE SCHOOL

Various parts of the school premises are available for hire to members of the community. Good use is made of the hall, sports facilities and the Resources department which offers a community printing service. This includes photocopying (colour and black & white), printing, binding, laminating and computer-aided publishing. Full details of this service are available from the Resources department.

CHARITIES

We are proud that the school, in turn, supports a variety of charities. Donations have been made to McMillan Nurses and Teenage Cancer appeals, the Air Ambulance and World Book Day, among others. Many donations are made at the request of the pupils' School Council, which selects a main charity to support each year. We hold an annual sponsored walk where pupils raise funds for charity. This raises several thousand pounds for charities selected by our pupils.

ACCESSIBILITY

We regularly review provision for access to the school buildings and grounds.

EXAMINATION RESULTS

	2013	2014	2015	2016
% 5 + A* / A	27	22	15	23
% 5 + A* - C inc. English & Maths	66	55	62	59

INDIVIDUAL CARE AND PROGRESS

It matters very much to us that every child fulfils their full potential. In order to enable this to happen we stress the following:-

ATTENDANCE IS VITAL

We rely on the support of parents to ensure regular and punctual attendance. We all know that the long term effects of poor attendance can be very serious. Unauthorised absence will show on pupils' attendance records. We can only authorise absences for certain clearly defined reasons. Please see our website for the latest attendance policy and procedures. This was updated July 2016.

The school's attendance record is above the national average (96.2%); the vast majority of our pupils come to school enthusiastically.

ASSESSMENT

We all need to know how well pupils are progressing! We monitor every pupil's all-round development as well as their academic achievement. Assessment is continuous; we make use of formal assessments and examinations in addition to regular discussions between pupils and their teachers. This helps pupils to evaluate their progress and identify areas for improvement.

We use Key Stage 2 performance to generate a GCSE target from the start of Year 7. The targets are the statistically most likely grade that has previously been achieved by the top 20% of similar ability pupils nationally. We will report whether or not a pupil is on-track for his/her target grade throughout Years 7 – 11. Targets are aspirational and may be reviewed from time to time during your child's journey from Year 7 to Year 11.

Progress is monitored regularly and shared with parents at key points throughout Years 7 to 11.

In each school year there will be:

- ❖ A Progress Evening where subject teachers and tutors are available to discuss pupils' progress, strengths and weaknesses.
- ❖ Progress Reviews, giving brief details of attitude to learning and progress in each subject.
- ❖ An Annual Report. This contains detailed written comments from teachers. It will also contain relevant examination or assessment results, information on progress towards targets, advice on areas for improvement and an indication of your child's attitude to learning.

Remember that parents are always welcome to ask for an interim report!

HOMEWORK

It is important for pupils to develop the skills necessary for individual study and research. This means that we set a variety of homework and this may not always involve written tasks.

To help pupils to organise their homework they are issued with a Pupil Planner at KS3, a Pupil Diary at KS4 and a folder for keeping their personal records. We ask parents to

check and to sign these diaries regularly. Planners and Diaries are regularly checked by Tutors and HACs.

All pupils are given a homework timetable showing when subject homework will be set and are due in. Homework is posted on a web link on our web site called 'Show My Homework'.

EXTRA CURRICULAR ACTIVITIES

We offer our pupils a rich and varied diet in lessons. Outside of the formal curriculum we provide a wealth of other opportunities and activities – all pupils are encouraged to get involved. We have numerous clubs and activities organised at lunchtimes and after school.

We are proud to have received national recognition for our 'extra-curricular' activity programme. Updated lists of clubs, etc are posted each term. This is in addition to practise for sport and rehearsals for music and drama. Many parents share 'taxi' duties to allow their children to get involved. During the summer term we suspend the formal curriculum for a special 'Enrichment' week. Pupils are involved in a wide range of cross-curricular events, visits and workshops.

We have regular visits out of school. Among others, these include:

- ❖ Geography field trips to Snowdonia and Mid Wales
- ❖ RE visits to local Churches and to Hereford Cathedral
- ❖ Theatre visits in English and Drama
- ❖ Community visits to local care homes and to the Mayfair Centre
- ❖ Sports fixtures with other schools
- ❖ Visits to Further Education establishments

Transport is provided by the school. Our minibus has forward facing, belted seats and all staff using it have passed the LA driving test.

Supervision will always be by school staff who may be assisted by parent helpers or other adults. Our supervision complies with the LA guidelines.

Longer visits

We have a wide range of longer visits involving nights away. In the past this has included:

- ❖ Year 7 Visit to France
- ❖ Year 8 Adventure Camp
- ❖ Year 10 Creative Art visit to London

In addition we run trips to Germany, France and other parts of Europe. Details of any additional visits will be sent to parents at the planning stage of the trip.

HOW WE DRESS.....

SCHOOL UNIFORM SHOULD BE WORN ON ALL OCCASIONS.

We believe that most parents are in favour of school uniform because it lays down clear and practical guidance on clothing.

We value highly the support of parents over the issue of uniform. Our uniform was designed with the help of parents and pupils. It is basic, simple, smart and easily available.

Please note the following:

- 1. Pupils should arrive at and leave from the school in correct uniform.**
- 2. All items of clothing should be marked with the owner's name.**

We make use of TRUTEX LTD, via their School Link programme, to supply our uniform. All uniform items can be purchased from Trutex via their uniform catalogue. Copies are available from the school office. An added advantage of this service is that all items are delivered directly to your home.

We prefer parents to purchase uniform from Trutex to ensure that standards are maintained throughout the school. We believe their range, and especially their “best value” items, provide excellent value for money. As a bonus we receive a donation of 10% from all sales for the school fund.

More details of the service are given in the catalogue. **Items carrying the school logo are available from Trutex on-line and from retailer Peppers, Church Stretton.**

TRUTEX DIRECT – ON-LINE ORDERING

Your child’s uniform can be purchased directly from Trutex on-line: log onto www.trutexdirect.com and at the password prompt type LEA00430SB. This will take you to the Church Stretton uniform page where you can see all items of our school uniform. The site is secure and orders can be placed quickly and safely. Orders will be delivered directly to your home, or specified delivery address. Uniform brochures are distributed to all pupils every July.

RETAIL PURCHASING

We know that some parents would prefer to have the choice of purchasing from a retailer. Our uniform is also available from Peppers, 22 Sandford Ave, Church Stretton, SY6 6BW. Tel. 01694 722724. School uniform is available from Peppers all year round. Prices are the same as the brochure. Peppers also stock our AKOA sportswear: this is a new range and can only be purchased from Peppers.

See overleaf for a simple view of our uniform:

hoodies, indoors |

Schools Accessibility Plan

The disability plan has three key duties:

- To ensure that the school does not treat pupils less favourably for a reason related to their disability
- To make reasonable adjustments for disabled pupils, so that they are not at a substantial disadvantage
- To plan an increase in access to education for disabled pupils.

The key aim of the accessibility plan is to promote equality of participation in the life of the school. This requires that we make reasonable adjustments to promote physical access, provide appropriate equipment and materials, promote an ethos of valuing diversity and have an appropriate curriculum.

The school currently includes pupils with a range of disabilities including: physical disabilities, sensory impairment, learning disabilities, communication difficulties and emotional difficulties.

The school consults with parents through Annual Reviews of Education, Health & Care Plans, at parents' evenings and through parental questionnaires, as well as through regular communication with the SENCO, key workers and pastoral staff. We also consult with a range of outside agencies.

The views of pupils are sought via Pupil Voice, target setting and evaluation in writing Pupil Centred Plans and through Annual Reviews.

The School's Governing Body reviews Special Educational Needs through their meetings.
