Dear Parents/Carers,

On Wednesday 10th April the Army Outreach Team will be visiting school to deliver an Elite Skills Team Building Day for our Year 9 students.

It has been designed to raise awareness of and build interest in the Army. Throughout the day students will be provided with basic information on Army careers opportunities.

They will also be given an insight into the Army's ethos, via the conduct of practical activities with military personnel. These activities aim to develop personal skills and attributes, e.g., teamwork, communications, and self-confidence.

Students are required to wear their school PE kit for the whole day.

It is hoped that the day will create enthusiasm for the work of the Army and inspire young people to consider a wider range of careers.

Kind regards,

Miss Chapman

Careers Coordinator
