Results Day 2024 – Thursday 22nd August

Dear Student,

Results day for GCSE exams and Btec awards this year is **Thursday 22nd August**.

How will the exam results be released?

Results will be released on GO4Schools at 9am on results Day. To find your results, select 'progress' from the menu on your profile page. Scroll to the bottom of the progress page to find a table called 'Key grades achieved'. This already details your KS2 SATs results and now shows your Summer 2024 GCSE and Btec results as well. Parents/carers will not be able to access results via GO4S parental log in details.

If you wish to collect your results slip from school, you will be able to do so between 9am and 10am on the 22nd August. All uncollected results slips will be posted out on the afternoon of Thursday 22nd August, first class, to the home address that we hold for you. If your address details have changed since you left school, please make sure that you update us so that we send these to the right address.

Can someone else collect my results slip?

Only one of your parents/carers can collect results on your behalf. You will need to provide written permission (you can use the form that we have included at the bottom of this letter) granting the named person approval to collect your results. The nominated person must bring that letter of permission and a form of photo identity with them (driving license photo card or passport are ideal). **Results cannot be given to a nominated person without a letter and ID.** Unfortunately, it is **not possible for friends or other family members to collect results** on your behalf.

What support is available when I get my results?

There will be staff available in school on results day to provide support. Attached to this letter, you will also find some information about post-results services and appeals. Before applying for reviews of results, please contact the Head of Department for the subject concerned who will advise you on the best steps forward.
