Dear Parents/Carers,

I hope this message finds you well. As you are aware, we have discontinued our weekly newsletter, *The Link*, and are now excited to use Instagram to share the fantastic things happening at Church Stretton School. Many schools are using social media to keep parents and carers updated and to showcase students' achievements in a more engaging way.

### **Follow Us!**

We invite you to follow our Instagram account **schoolchurchstretton** to stay updated on the latest happenings at Church Stretton School. We acknowledge that there is currently limited content, which is why we are also asking you to update your consent permissions.

### **Consent for Use of Images**

To ensure we have the correct permissions, we kindly ask you to review and update your consent regarding the use of your child's images. This includes any photos or videos that might appear on our Instagram account, as well as other school publications.

Please review and complete the consent form linked below. We ask you to complete this by Friday 25<sup>th</sup> October 2024. Should you have any questions or require further information, please do not hesitate to contact us.

Please complete a separate consent form for each child at school.
