Monday, 4<sup>th</sup> November 2024

Dear Parents/Carers,

Re: Revision revolution workshops

Revision is crucial for reinforcing learning, identifying knowledge gaps, making connections across subjects, and building confidence. It is not about last-minute cramming or passive activities like re-reading or highlighting.

Our curriculum is structured from Year 7 to Year 11 to build cumulatively on what students have learned. At the start of every lesson, retrieval tasks help reinforce prior learning, and homework supports this by encouraging reflection and preparation for future lessons.

We teach all students effective revision techniques through lessons, homework, tutor time, and assemblies. We encourage you to support your child at home using our [Parent/Carer guide to effective revision](#).

We are hosting 'Revision revolution' workshops for parents and carers during the academic year to provide more information about the most effective revision techniques.

- The KS3 (Year 7-9) Evening will take place on Wednesday 27<sup>th</sup> November 2024 5-6pm, please complete this [form](#) to let us know if you are able to attend.
- The Year 10 Evening will take place on Wednesday 12<sup>th</sup> March 2025 5-6pm, please complete this [form](#) to let us know if you are able to attend.

We strongly encourage you and your child(ren) to attend the information evenings as both parents and students have informed us, they have been invaluable in ensuring revision is as effective as possible.

Exams provide feedback on progress and help identify learning gaps. Exam timetables and draft revision topics are available on our website [here](#). We encourage students to use Seneca Learning and other resources shared on GO4Schools to help structure their revision.

Please visit our website [here](#) for resources on revision techniques, stress management, and planning tools. We will hold Examination assemblies closer to exam periods to discuss timetables, revision strategies, and necessary equipment.

Kind regards,

Dan Bird  
Deputy Head of School

Naomi Proffitt  
Head of MFL and Associate member of SLT
