Dear Parents and Carers,

Year 11 GCSE exam entries checking exercise

Year 11 students have been given a paper copy of their examination entries for Summer 2025 for them to check, sign and return. Please can you support your child with the checking process and let us know if there are any changes that need to be made to their exam entries. They have been given a copy of their candidate-specific timetable, the whole school GCSE Exam timetable and a copy of JCQ's Information for Candidates about Exams can be accessed below.

The examination window runs from **Thursday 8th May to Wednesday 18th June 2025**, there is a **contingency afternoon on Wednesday 11th June and a contingency day on Wednesday 25th June**. Students must be available to come into school on any of the dates in this timeframe, **including the contingency afternoon and day**, in case of any last-minute changes to examination dates.

There is a wealth of information on how to support your child's revision in our [Revision Revolution – Parent/Carer guide to effective revision](#) and in the revision section of the [school website](#). We will continue to support your child with their revision in school and their teachers will be sharing suitable revision tasks and materials via Go4Schools as we approach the GCSE exam period.

GCSE Results Day will be on Thursday 21st August and we will share more details of this day later in the academic year.

If you have any questions or queries, please do not hesitate to contact us.

Kind regards,
