Dear Parents and Carers,

Please find attached a list of key dates for post-16 options for your information.

For some of the college events, it is best to book your place using the link provided, but for most, you are welcome to attend without booking in advance.

Most application windows open just before each college's open day or evening. You'll receive further guidance on the application process during your PSHE lessons, and college prospectuses will be available soon.

To keep you informed, posters with this information will be displayed on the following noticeboards:

- Careers noticeboard in the R corridor
- Houses noticeboard in the Y corridor
- Careers noticeboard in W1 (where some college prospectuses will also be available)

Kind regards

Mr Wright
Careers co-ordinator
