Dear Parents/Carers

I am delighted that your child has chosen to study 'Food Preparation and Nutrition' at GCSE. The purpose of this letter is to recommend to you the 'GCSE AQA Food Preparation and Nutrition: Illustrated Revision and Practice (ClearRevise AQA GCSE Food Preparation and Nutrition 8585)' resource. The advantages of this revision guide being:

- Over 650 marks worth of examination style questions
- Answers provided for all questions within the book
- Illustrated topics to improve memory and recall
- Specification references for every topic
- Examination tips and techniques

Additionally, I will be setting weekly consolidation homework tasks that rely on the book for support. For the best price, we recommend purchasing the revision guide from Amazon where they are currently discounted to £7.36.

For those who do not wish to purchase the book, there will always be a small number of copies available for students to borrow from the school library - but I do hope you will agree that the books represent an excellent investment. Students who are eligible for Free School Meals or have been at any point during the last six years, will receive their books free of charge via Pupil Premium funding, and in such cases, there is no need to make the purchase.

If there are any difficulties with purchasing the revision guide, then please contact me at school.

Yours sincerely

Mrs Butler
