Year 11 Autumn 1 Grade Update and Autumn Mock Exams

Dear Parent/Carer,

Following parent and carer feedback we are pleased to let you know that we will be providing a Grade Update on your child(ren)'s progress at the start of each half term, the Grade Update reports will be available for you to view on Go4Schools. The Grade Update reports will allow you to identify the subjects where your child's strengths lie and subjects where there are areas for development over the course of the academic year. We will continue to provide you with a written report, which will allow your child(ren)'s teachers to let you know what you child(ren) is excelling in and the areas for development that will allow them to move to the next level in each subject.

If you have any questions about your child's grade report, please contact the Head of Department/Faculty with specific subject questions or Head of Year with pastoral concerns.

Monday 24th November sees the start of the Year 11 Autumn Mock Exams, the timetable for which is attached as appendix 1. Miss Ireland and I met with Year 11 this morning to remind them of the importance of being prepared, both physically and mentally. They can do this by ensuring they have the correct equipment (2 black pens, a pencil, ruler, protractor, compass, rubber and scientific calculator, all in a clear pencil case), they have revised often, in bitesize chunks, they get a good night sleep and eat well. Further information on how to manage exam stress, how to revise and how you can support your child can be found on the school website, [here](#).

Kind regards,

Mr D Bird
