Wednesday, 14 January 2026

Dear Parent/Carer,

I am writing to inform you of an error that was identified in the calculation of grades for the recent Design and Technology mock examination.

This error has now been corrected, and grades have been recalculated accurately. As a result, some students have received an uplift in their mock examination grade.

The updated and correct grade has now been published on Go4Schools. A revised paper copy of the grade report will also be issued to students shortly.

Please accept my sincere apologies for this error and for any concern or confusion it may have caused. I appreciate your understanding and would like to reassure you that steps have been taken to ensure accuracy in future assessments.

If you have any questions or would like further clarification, please do not hesitate to contact me.

Kind regards

Jennifer Butler

Head of Design Technology/Food Preparation and Nutrition
