### Year 11 Annual Reports

Dear Parents and Carers,

The Year 11 annual reports are now available for you to view on Go4Schools. Your child's report contains three grades for each subject they study, their target grade, a currently on track for grade and their Year 11 mock exam grade. If the Year 11 mock exam grade is missing for a subject this may mean a Year 11 exam was not sat in this subject or your child missed this exam.

Where there are gaps between these grades, we have already started putting in place intervention strategies to close them and help students get back on track. This includes general revision resources and advice, and departmental resources that we have/will be made available to students. All the revision resources and copies of the exam timetables can be found on the [school website](#).

Your child's report should help you, and your child, identify areas of strength and for development as they prepare for their Year 11 spring mock exams, and ultimately their GCSE exams. Should you have any questions regarding your child's report please do not hesitate to contact me with general questions or concerns or the Head of Faculty/Department with specific subject questions or concerns.
