Enrichment week - Important information

Dear Parents and Carers,

Last month, we wrote to you regarding Enrichment week 2026, which is due to take place from Monday 13th July to Friday 17th July. As outlined in the original letter, Enrichment Week is always one of the highlights of the school calendar and provides students with valuable opportunities to broaden their experiences, develop new skills, and engage in learning beyond the classroom.

We were very excited to offer a range of day trips alongside the residential visits already taking place:

Year 7 - Chester Zoo (Monday 13th July) and Padel centre (Wednesday 15th July)

Year 8 - West midlands Safari Park (Monday 13th July) and Warwick Castle (Wednesday 15th July)

Year 9 - Drayton Manor (Thursday 16th July) and Thinktank Science Museum and planetarium (Tuesday 14th July).

Unfortunately, uptake for the trips has currently been much lower than anticipated and, as it stands, there are not sufficient numbers for the trips to run. This would obviously be a real shame, as Enrichment Week is one of the most enjoyable and rewarding weeks of the school year for many students.

We are therefore asking that, if you intend for your child to take part in the trips, **you must complete the sign-up process via ParentPay by Monday 1st June.** At this point, we will review the numbers and make a final decision regarding whether the trips are able to go ahead.

If there is insufficient uptake and the trips are unable to run, students will remain in school during Enrichment week and will follow an in-school programme instead.

We very much hope that we can proceed with the trips and provide students with these exciting experiences, and we thank you for your support.

Kind regards,

Mr M Longhurst
Assistant Headteacher
