Headteacher: Dr. A Wood, PhD, NPQH, BSc (Hons)

Friday 12th June 2026

Dear Parents and Carers,

Year 7 and 8 Core examinations

This is a reminder that our Year 7 and 8 Core Examinations will be taking place over the coming weeks.

Year 8 examinations will begin on **Wednesday 17th June**, and **Year 7 examinations** will begin on **Tuesday 23rd June**.

Students will be assessed in the following subjects:

- English, Mathematics, Science and Design Technology

Earlier in the academic year, we shared the examination timetables and topic lists with students and families. To support students with their final preparations, we have included the links below:

- [Year 7 Core Examination Timetable](#)
- [Year 7 Topic Lists](#)
- [Year 8 Examination Timetable](#)
- [Year 8 Topic Lists](#)

Students will need 2 black pens, a pencil, a rubber, a ruler, a protractor, a maths compass and a calculator, all in a clear pencil case or clear plastic bag for each of their exams.

We encourage all students to make use of the topic lists to guide their revision and to ensure they are familiar with their examination schedule. Regular revision, good organisation and adequate rest will help students approach their assessments with confidence.

There is more information and advice on revision and dealing with exam stress, including our [parent/carers guide to revision](#), on the [school website](#).

If you have any questions regarding the examinations, please do not hesitate to contact the school.

Kind regards,

Mr D Bird
Deputy Headteacher
