Headteacher: Dr. A Wood, PhD, NPQH, BSc (Hons)

Thursday, 25th June 2026

Dear parents and carers,

Following a review of the ongoing amber heat warning and the conditions in school today, we have made the decision to close the school site tomorrow, Friday 26 June. Learning will move to distance learning for the day.

This decision has not been taken lightly. We have put a range of measures in place this week to reduce the impact of the heat, including relaxing uniform expectations, encouraging regular hydration, adapting PE and outdoor activities, reducing heat build-up in classrooms where possible, using fans and portable cooling units, and making use of cooler spaces where available. These measures have helped reduce the impact of the heat, but the ongoing conditions in the building require the school site to close tomorrow.

Pupils should access distance learning through Go4Schools and MS Teams. All students will be emailed instructions, and staff will set work for pupils to complete during the day.

We appreciate that school closure causes inconvenience for families, and we are sorry for the disruption this will cause. However, our priority must be the wellbeing of pupils and staff while maintaining learning as far as possible.

Thank you for your understanding and continued support.

Kind regards,

Dr A Wood
Headteacher
